

## HP Digital Signage Display Wall Mount

*Designed to Impress*

HP's Digital Signage Display Wall Mount gives you the ability to create a spectacular view of your display that everyone will enjoy.

HP offers a variety of optional products (each sold separately) designed to complement the HP lineup of digital signage displays.

HP's Digital Signage Display (DSD) Wall Mount is specifically designed for use with HP-branded digital signage displays and USDTs or Thin Clients\* to create a complete HP solution.

The HP DSD Wall Mount makes it possible to hang your display on a wall, giving you the ability to display videos, graphics or text in a variety of commercial settings where an extra large screen is desired. You can also use several wall mounts to create an impressive video wall of your work.

With HP's DSD Wall Mount, you'll be able to enjoy your stunning signage and rest easy knowing that it is backed by HP's seamless solution.

### **Improve your view**

An HP DSD Wall Mount can help you assemble an eye-catching installation or an entire wall of dramatic displays with mount features such as:

- Support for 40" to 60" flat panel displays\*\* (Weight restrictions apply. See page 2 for supported weight capacity.)
- Pivot design enables 90 degree clockwise portrait or landscape rotation of the screen
- Locking knob secures the display into portrait or landscape positions
- Tilt friction knobs keep the screen locked into position
- Mounting bracket supports accessories such as a pc power brick
- VESA mount screw holes can support an HP Quick Release, compatible with an HP Thin Client or HP USDT PC (each sold separately) directly behind the display and away from view
- Pre-assembled mount helps provide easier out-of-the-box installation

### **Worry-free dependability**

Rely on the dependability and longevity of HP Digital Signage Displays so you can continue to focus on your business. Each HP Digital Signage Display Wall Mount comes with a three year limited warranty and is compatible with HP business products.

THE COMPUTER  
IS PERSONAL  
AGAIN.

<b>Dimensions (h x w x d)</b>	Packaged: 8.9 x 13.0 x 28.3 in (22.5 x 33.0 x 72.0 cm)
<b>**Supported weight capacity</b>	The HP Digital Signage Display Wall Mount has been designed to support a maximum of up to 115 lbs (52.2 kg) depending upon the mounting configuration used. Please note this is a total weight limit for all devices mounted, i.e. the combined weight of the monitor, CPU, and power supply cannot exceed 115 lbs. Ensure that the wall structure is capable of supporting four times the total weight of mounted equipment. Mounting to wall surfaces that do not meet this criterion may result in an unstable, unsafe condition which could lead to personal injury and/or property damage. HP recommends that you consult with a qualified engineering, architectural or construction professional to ensure that your mounting solution is properly installed to support applied load.
<b>Limited warranty</b>	Your Option Limited Warranty is a one (1) year (HP Option Limited Warranty Period) parts replacement warranty on any HP-branded or Compaq-branded options (HP Options). If your HP Option is installed in an HP Hardware Product, HP may provide warranty service either for the HP Option Limited Warranty Period or the remaining Limited Warranty Period of the HP Hardware Product in which the HP Option is being installed, whichever period is the longer but not to exceed three (3) years from the date you purchased the HP Option. Certain restrictions and exclusions apply. For details see your product warranty or contact HP Customer Support.
